The popular book "Where to Mountain Bike in Southeast Queensland" has been fully revised for the fourth edition and will be on sale soon online and at your local bike shop. The book contains 70 pages of detailed colourful contour maps of places to ride, walk or run around Brisbane, the Sunshine Coast and further afield. If you bought an earlier edition you'll want to buy this new edition with the usual iconic routes plus new locations such as Mount Joyce Escape, Bayview and Parklands.
